WELCOME TO **RTU CONNECT**

RTU Connect is a project aimed at making it easier for members of the RTU community to connect with one another through an online platform. The platform is an upgraded version of RTU Diaries and is intended for use by students, professors, and clubs and organizations within the community. With busy and hectic campus life, students and other community members may not always have the time or resources to connect with others in person, and some may feel isolated or disconnected from their peers. Campus Connect seeks to address these issues by providing a centralized platform with a variety of tools and features designed to foster communication, collaboration, and engagement within the RTU community.
